Please express Saudi Aramco's deep appreciation to Al-Qahtani Pipe Coating Company for their cooperation with our team and maintaining their commitments as per agreed dates. In the last few weeks, it has been witnessed much needed improvement in FBE coated material delivered to the site resulted in noticeable increase in project construction progress.

We kindly requesting you to work closely with Al-Qahtani to maintain the current improvement, in order to meet the project completion milestone dates.

On behalf of Saudi Aramco QSWP team we are delighted with the professional performance from Al-Qahtani.
